ABOUT HOSTING AND COORDINATING ORGANISATION

VOLUNTARIAT is a non-profit and non-governmental organization, established in 2000 as a result of the re-organisation of the MOST Association in 1991, aiming to promote social justice, sustainable development, international understanding and solidarity through voluntary service.

Our main activities consist of organising:

- (national and international) seminars and trainings,
- short-term voluntary projects (camps, youth exchanges and initiatives) and
- long term voluntary projects (European Solidarity Corps – ex European Voluntary Service and EU Aid Volunteers)

Zavod Voluntariat is also a branch of the worldwide international organisation and peace movement Service Civil International (SCI).

We're a small team and we can't offer a complete hand-holding approach, but we're always here for you as much as we are able, and we appreciate volunteers who take initiative and shape their own experience. So there's plenty of space to grow.
